US TREASURY JEW JACOB LEW will **lead** a 'US delegation' to **commemorate** the 70th anniversary of the 'liberation' of Auschwitz commencing January 27, 2015.

The same **s#it** will be **thrown** in our faces of those 'unthinkable' crimes against Jews perpetrated by those oh-so-eternally-evil 'Chermans.'

Over 300 'survivors' will **sit shiva** in a **kosherized** tent surrounded by royalty and heads of state (Read: leaders on Jewry's payroll) and will then sally forth to tell their interminable, most wearisome story. (Read: gross exaggerations and lies.)

Tales of unthinkable exterminations, (that somehow **left** these 'survivors' healthy...now wealthy...and in their 90's and some older than 100), will be spun.

The **Jew-run** Media (no Paul, they are **not** "presstitutes" since Jews **do not prostitute themselves** to other Jews who run the political realm...they WORK TOGETHER to bring the world LIES) is **boasting** that Putin was **not invited** but their own Jew-boy Jacob Lew, **was**.

"You can't come to our party," the Jews **screech** to the highly esteemed Orthodox Christian Vladimir Putin. But the wicked Jew, Jacob Lew, **perpetrator** of all the sanctions against Christian Russia, can.

Truth is, (why can't Jews tell the truth?), no head of state was "invited" but rather invitations were sent to various embassies as **stated** by officials of the Auschwitz museum of **Jew-twisted unhistory**.

And any 5th grader (so long as his mind has not been poisoned by Jewish lies) knows that Soviet Red Army troops, **not** Ukrainian, **commandeered** the Auschwitz work camp in 1945.

THE HOAX EXPOSED

RIGHTEOUS GENTILE **Ursula Haverbeck** has come forth in her elderly years to challenge the relentless Jewish narration of the interminable Holocaust tale.

Filing **criminal charges** against the **Central Council of the Jews in Germany** for instigating imprisonment of innocent Germans for 'holocaust denial,' Haverbeck is demanding proof that "exterminations" ever took place at Auschwitz.

It's about justice for Germans **contends** 86 year old Haverbeck in her righteous indignation over the post-war **wicked Jewish Morgenthau Plan** of **mass starvation** of German civilians.

In her Video, **The Biggest Problem of Our Time**, Haverbeck **says** that National Socialist documents regarding orders pertaining to the duties at Auschwitz are archived at the **Institut für Zeitgeschichte**, although some **argue** that it's difficult to bring to the public's scrutiny the original documents.

Haverbeck says the documents prove that Auschwitz was not an "extermination Camp" but a "labour camp" and that those in charge were to maintain the "health of the prisoners" for the purposes of production, **essential** for the war effort.

Haverbeck adds, "This is what those who

A CLOUD OF WITNESSES exposes the lies and falsifications of the **Auschwitz myth**.

Famed historical revisionists **Robert Faurisson**, **Gerhard Rudolf**, and **Fredrick Toben**, have **put forth** evidence that the Auschwitz story as promulgated by the Jews is insupportable.

Carlo Mattogno, in particular, in his **well-researched** Auschwitz pamphlets, shows that "gas chambers" never existed; that **solicitous treatment** was given to the prisoners; and that by properly **examining** the work camp documents, the 'extermination' lie is shattered.

Germans put people to work, not kill them. They're a creative race whereas Jews are a destructive race.

And Jewry's **cultural genocide** of the German nation continues to this day.

Are Jews **Germany's misfortune**? You bet they are.

Great Web page to watch on the NO Such Thing Gas Chambers!
<http://holocausthoaxmuseum.com/>

Right you are Brother!

Germany creating legal punishments for Holocaust Revisionists is insane! It shows how Germany has become another tool in the Neocon Zionist Plot!

What happened at these camps? People played music, went swimming, were showered and shaved for lice. Some even got married.

They were constantly shipped around to other camps. Some places even had an orchestra!

This link completely proves it's all BS!

Everyone, I mean everyone, needs to see this!

They are not only a misfortune for Germany, but for all mankind.

When you make the choice of building and prospering your nation or starve it to death (as with Oekraine now) how stupid can you be?

Multiple that with Pjotr Walzmann (or Petr Poroschenko), and there is a next Holomodor in sight (for Oekraine).

And the President of Russia must stay away from devils and demons, they can not tell him anything.

Ursula Haverback is indeed a heroine and she is eight-six years of age.

That such lies could have been perpetrated all ths years and believed by hundreds of millions has to be through the Jews' Cabalistic sources of Satanism.

Even the story of Anne Franck, taught to many school-children, has been exposted as a monstrous lie.

None of us did much thinking. To dispose of 6,000,000 gassed dead, over a period of three years from only the three or so camps with gas chambers is a totally physical impossibility — if one does the arithmetic.

Then where were all those hundreds of chimneys required for the billowing clouds of smoke? Surely inhabitants in surrounding areas would have been poisoned?

A photo from overhead Allied bombers showing a line of women and children in front of the door of a small building, was merely of those wishing to use the bathroom. Where are all the photos of continual lines of people being forcibly pushed into any building?

The victims of typhus that spread throughout all the camps, often died. Their clothes and remains were placed in the small and solitary gas chambers there to halt the spread of such disease as much as possible.

The Allies have never shown photos of continually moving trains, 6,000,000 people, in the 'cattle-trucks'. That alone surely was an impossiblity in a war ravaged country rationing its energy sources.

The Red Cross records revealed around 292,000 only as being the number of Jews ever in all of the Camps throughout the length of the war.

The Germans are now shown to have had concern for the well-being of the prisoners in their camps, many of whom were criminals. All such are locked away, certainly in war-time if they are thought to be a danger for the country.

'Six' is the magic figure. The Jews used that figure as propaganda, World War I and also, before, during and after, World War II.

It was proved in a Canadian Court during the trial of a citizen who had spread literature regarding the truth of there being 'No Holocaust' from technical advisers called as witnesses,

that there certainly had been no Holocaust whatsoever.

The judge threw the evidence out on some whimsical pretence — Jewish Canada indeed. The man was sentenced to prison.

Christians refuse to believe there was no Holocaust. A friend became irate and argumentative for half-an-hour, that person normally never being so provoked by anything. 'Of course there was a holocaust', said she.

There was none.

One feels pity for the Germans, 'my' foes at the time. They never deserved from mankind, what they suffered.

It was a war provoked by the Jews because Hitler stood against the bankers and introduced a system of barter.

One conducted as 'Crimes Against Community', not by Germany but from the Allies. Such were controlled by Jews, with Russia by the Bolshevik Jews.

To this day, Germany is paying for all of her supposed inhumanity against Jews.

Their consuming greed for wealth is never satisfied. It is a dark abyss. Victims there are aplenty. The Jews suffer somewhat but are never the losers.

Babylon is set to fall — one day. Plans for world dominion will never come to full fruition. Satan knows his time is short and his seed become more provocative.

The general public is blinded, unknowing and led like sheep to the slaughter.

Such includes hundreds of millions in Christian churches, particularly in the U.S.A.

Church people, please if you love Jesus Christ, learn the true facts.

It is time consuming but who wants to follow the doctrines of demons and lies of Satan and his seed, the Jews.

Dear Brother Nathanael,

Yes, you are a truth teller. I recall meeting a Jewish woman who was in her late 70's (about 10 years ago) who was born in the Netherlands. She was receiving some kind of "reparations pension" due to being a "survivor" of one of the "extermination camps" (I don't recall which one) and I imagine there are plenty more Jews out there who are making a living this way to this day.

I wonder, how do these people justify taking money from today's Germans, the grandchildren of the so-called "perpetrators" of the Holocaust?

Even if every word of the Shoah story is true, how do the descendants of an entire nation of people end up paying for the "sins" of the few who were in power and supposedly responsible for running the camps?

Even as a youth I would wonder at the various horror stories we were told (in school!) about lampshades made from Jewish people's skins, Jews burned in ovens, gassed, etc. and I would think: well, how does a nation fighting a war on four fronts afford to waste fuel on running ovens to cremate (allegedly millions) of bodies when that fuel is desperately needed for the war effort?

The German government of WW2 even funded research into fuel alternatives, so desperate was their need of fuel near the war's end. For example, synthetic oil was a product of German National Socialist research.

It only takes a little critical thinking on the part of a person to see through the make-believe that is put out there as "fact" but many Americans seem to want to believe the narrative that is given them on the idiot box and are steered in that direction by years of indoctrination in what passes for public schools today.

This is a shame, because it is much easier to find alternate sources of information now with the internet. This was not possible when I was young, and the news outlets were the only source of info from abroad, and they were all owned by — guess who — Jews!

I often think to myself; what a shame that Jews, who are the brightest people on average of all, are so given to corruption and greed.

To think how much good they could do with the intelligence they have were they to steer it in a different direction and not use their ability to try to own the world and all its resources.

I also thank you, Brother Nathanael, for what you do, and take care; articles of this type do not sit well with the upper tier of Jewish power.

So, the Jews have that much control over German government?

Why do the Germans allow that?

Tim A.

January 24, 2015 @ 6:27 pm

How truly disgusting!

Holocaustianity/Holohoaxianity is alive and well. Since a few "Survivors" slipped through the cracks, may they then burn in Hell!

These people have no decency. Never, have I EVER heard a Jew show gratitude for the sacrifices that were made by America, England and even the French for their unfortunate survival of WWII. It is all about them.

Four years ago I was at a memorial service for my then wife's grandmother in Pebble Beach.

While there, I was accosted by a young Jewess who cornered me within three minutes and was elaborating on the Holohoax and how her parents and grandparents suffered....

Concurrent with the Jewess' diatribe, her husband was circling the room hitting people up for cash and handing out his business card looking for clients for his Israel-based investment banking firm.

Does that sound like greed, or what?? They exhibited absolutely NO decorum or class. Just FILTHY VERMIN.

It is the proverbial "Three Minute And Forty Second Rule:"

These vile creatures will accost you about the Holohoax within three minutes and forty seconds of meeting you.

Cornelius

January 24, 2015 @ 6:27 pm

In German "die Auschwitz Lüge" refers to the Holocaust myth.

Literally translated it means "the Auschwitz lie"

Orwellian double-think methods help the Germans cope with believing the lie, so they can stay out of jail.

In spite of this, anti-Semitic historical facts or evidence about the German concentration camp system keep being discovered.

I believe exceptionally stupid people won't fall for this and thus become anti-Semites.

Thank you for shining the light of day and logical reason on Jewry's holocaust invention.

The conditioning of Gentile cattle is so pervasively effective that it may take 1,000 years before it is finally condemned to that dung heap of historical myth within the depreciated Gentile mind, which by then will be entirely fixated upon the primal priority of securing basic food and shelter.

A huge circle with the Jew on top and the Gentile eternally grateful and groveling for mere scraps from his service to the Jew.

Germany's finances are controlled by the Jews, namely the Rothschilds, Goldman-Sachs, and the Federal Reserve Bank of New York.

I often thought that Germany was being controlled, but I had no proof.

I wondered why we still had troops in Germany. I found the answer.

I recently watched a 6+ hour video called "Adolph Hitler-the Greatest Story Never Told-Parts 1-27.TV." @ <http://thegreateststorynevertold.tv/>

The German finances are controlled by the above Jews thru their organization called the GmbH.

Watch the video. You will get a real true history lesson — a very sad depressing one.

You will see evil persons in Stalin, Churchill, and Franklin Roosevelt. Also Eisenhower.

Since the mid-20th century, the world has only ever heard one side of an incredible story. The story of a boy from an ordinary family whose ambition it was to become an artist, but who instead became a drifter.

His destiny however was not to drift into the awaiting oblivion, but to rise to the greatest heights of power, eventually to become one of the most influential men who ever lived.

Now for the first time, here is a documented account of a story many believe to be...

@George

Thank you for your kind words and insights.

However, I must disagree with 1/2 of your assertion:

"What a shame that Jews, who are the brightest people on average of all, are so given to corruption and greed."

Yes, I agree that Jews are "given to corruption and greed" but that they are the "brightest people on average of all," no.

The Jew is basically a parasite, feeding off the labor and creativity of the Gentile Christian.

Men such as Roger Bacon, Peter Henlein, Robert Fulton, Thomas Edison, Alexander Graham Bell, Karl Benz, Henri Poincare, Buckminster Fuller, George Westinghouse, Nikola Tesla, Orville and Wilbur Wright, and Henry Ford, gave to the world a HUNDRED x HUNDRED what Jews have given.

The parasitical Jew enters the scene via finance capital with his phony money legitimized by Christian nations.

This is how the Jew FEEDS off the hard work, *creativity*, and productivity of the Gentile.

By the way, the much touted "Einstein" plagiarized the work of several notable scientists, particularly Henri Poincare, in his 1905 papers on special relativity and $E = mc^2$.

Jew-run academia and media tout him *ad nauseum* so that the JEW Einstein, not 'stupid' Goys, is staged as an 'icon of intellect.' +BN

When it comes to concentration camps we only hear the Jewish side.

There were non-Jews incarcerated in those camps, so why is it that we never hear from those survivors?

The German government compensates Jews for their incarceration but does it compensate the non-Jews as well.

Hearing from non-Jews would certainly help clarify these questions about death camps.

I wonder what would happen to a student today, that gives a book report on what actually happened at Auschwitz?

Can an American citizen be arrested by Germany for holocaust denial?

Or do you have to deny it in a public forum while in Germany?

Dear All,

In view of CURRENT JEW LIES regarding Ukraine, I'm taking the liberty to go a bit off-topic.

First of all, the very recent Mariupol shelling attack on civilians appears to be FALSE FLAG executed by Kiev's Jewmerica-enabled junta.

<http://tinyurl.com/lxglxft>

A SIGNIFICANT NEW DEVELOPMENT was manifested in Putin's opening remarks to the permanent members of the Security Council, in which he refers to the Novorossians as "Donetsk People's Republic" and "Lugansk People's Republic."

With Kosovo setting the precedent, that the West openly supported and Russia opposed, this appears to be unofficial, but *de facto* recognition of these political entities as falling within international law.

If nothing else, Putin has elevated the provisional Novorossian republics as being *on a par* with the former Autonomous Republic of Crimea as a federal subject of Ukraine.

I see this preparing the way for future negotiations and giving the Novorossians a step up from being a provincial or regional Ukrainian entity.

FROM PUTIN'S SPEECH to the RF Security Council

<http://eng.kremlin.ru/news/23512>

"We are witnessing a dramatic deterioration of the situation in southeastern Ukraine, in Donetsk People's Republic and Lugansk People's Republic.

"In this connection I would like to inform you again that a week ago, on Thursday, I sent a letter to the President of Ukraine, a written proposal to withdraw heavy weapons – artillery and multiple rocket launchers – to such a distance from which it would be impossible to fire at populated areas."

About Jan 1, Poroshenko publicly stated that Kiev lacked the military means to take back lost territory by force.

<http://tinyurl.com/kjfe9st>

The NAF (NovoRussia Armed Forces) has opened up 5 fronts, as I recall, along the battle line in the past couple of days.

Last week, I discussed with an astute contact that since Porky blew off meeting with the parties of the Minsk Protocol, that the Novorossians wouldn't stand still for that and take the offensive.

We both observed correctly.

Alexander Zakharchenko has stated that the Minsk Memorandum (not the same as the Protocol) is defunct. The protocols spell out the negotiating goals, but I think the memorandum had to do with the cease-fire, which Kiev never really honored.

The more of Donetsk and Lugansk are recovered for the republics, the stronger the bargaining position.

But, Zkharchenko's most immediate goal is to push the UAR (Ukraine Armed Forces) as far back as possible all along the front to get the Ukie artillery out of range of the Donbass cities, and get some relief from Kiev's barbarism.

STAY TUNED for more Updates (I have MANY contacts both in Moscow and abroad.)

Hello Brother Nathanael,

I have recently uncovered an old film from 1941 concerning the Ukraine region (link below).

The film, unfortunately, has no English translation. I know you have many contacts in this region and was hoping that someone could add English translation to this old film and resend the film back to either You Tube or possibly your new server.

It would appear that Jews are terrified of the name Bohdan Chmielnicki.

I believe you will find this individual, film, and the historical nature of this time frame very interesting - particularly in regards to current events.

<https://www.youtube.com/watch?v=gBlk2WNgcgM>

It is also historically interesting that Bohdan Chmielnicki's time frame follows the Thirty Years War which can be briefly summed up in the short video directly below.

Do not propagate this myth; I've sat in classes with, tutored, many "Jews" and never found them to be generally bright. Where is this great Ashkenazi culture they built? There is none.

Br. Nathanael,

I may be going off topic on this one; however, one has to go as far back as the early 1860's to gain a whole perspective on the Holohoax story.

I'm sure you're familiar with Aesop's Fables; and this story from the TomatoBubble website has it.

It's known as The Three Bulls and The Lion.

The three bulls in this story were Russia, Austria-Hungary, and Germany; the lion was Great Britain. So long as the three bulls stayed together, the lion was unable to attack; so, they had to be separated.

Britain's Prime Minister at this time was a Jew, Benjamin Disraeli. One would have to go back to Disraeli and his shenanigans which inevitably led up to the Great War (WWI). Disraeli sowed the seeds; the three bulls were separated; and they were destroyed by the Great War.

Fast forward to WWII, which erupted 25 years after WWI. World Jewry sowed the seeds; Europe was engulfed by another world war; Germany was destroyed (as well as much of Europe); and the Soviet Union was handed total control of Central and Eastern Europe; and the mass starvation of German POWs under the orders of Gen. Dwight D. Eisenhower were carried out.

The so-called "gas chambers" were installed by the Soviets so that the Holohoax myth would be promoted; and, to this day, it's still being promoted; only within the past 40 years, it has become a religion, known as Holocaustianity.

Sometimes, Brother, we have to go back to Europe pre-WWI, to understand the story behind the Holocaust myth.

To fully understand this myth, I had to go all the way back to Disraeli and his machinations to get the whole story.

Hugo

January 25, 2015 @ 1:53 am

Mr Putin answer should open up Soviet WW2 archives so that historians can finally establish beyond any reasonable doubt that the gas chambers story was nothing but Bolshevik war propaganda that has entered the historical record with the full support of the Zionist banker-controlled states of the US and UK.

He should also officially state that Germany's war was not with the Russian people but with the mass-murdering Bolshevik regime created and managed by Ashkenazim Jewry.

In 1917 the Jewish Bolshevik brought hell on earth to the Russian people- 100 years later the Jewish NEOCON is playing the same game-
Mr Putin should respond by exposing the central lie of history.

Jews are bright but there is also the "landing hand."

What I mean by that do you know how many Jews hire each on finance on good jobs or in other sectors? They get special privilege; and due to special privilege and being in the tribe they guide and help each other.

If you work with them you'd would know. Not all are bright.

Also in colleges many Jews help each other to land in good colleges. Many teachers and are Jewish and favor each other.

The big lie technique seems to lie at the very heart of Jewish self pity and self worship mythology.

This whole idea of the intelligent Jew has been deliberately planted in MSM for decade after decade just the same as the 6 million figure. It originates from the press releases of Jewish foundations.

I followed up one such story and found it originated at the Albert Einstein Foundation.

If you google "Jewish genetic disease" you will find they have huge problems with their DNA because of inbreeding.

Inbreeding can include having sex with first cousins, sisters, daughters, mothers and premenopausal grandmothers. Inbreeding leads to degeneracy.

This "anything goes" lack of sexual moral boundaries is why the porn industry is Jewish driven and has been for a long time. One of the first porn film makers in America was the Austrian Jew Felix Saxton who wrote the book "Bambi" which Walt Disney made into a cartoon film.

Next on the agenda is to legalize sex with children.

One has to wonder what the phone number of Barbara Walters, America's favorite female Jewish journalist, was doing in the private phone book of the convicted child molester Epstein who allegedly provided underage children for Prince Andrew and Alan Dershowitz. She must have known he was a convicted child molester.

This lack of moral boundaries or a code of behaviour is also evident in the caging and butchering of innocent Palestinian children to the cheers of a Jewish audience watching from safety in lawn chairs and eating popcorn.

This modern behaviour is far less moral and more depraved than the audiences at a Roman gladiatorial arena where equal matches were favoured.

Once the DNA is damaged and in the blood, so to speak, it stays forever and is passed down from generation to generation and the damage keeps accumulating until the organism becomes a zombie.

Inbreeding does not do any organism any favours as any dog breeder can tell you. It throws a wrench into the intellectual gears and you end up with yappy, dumb and worthless little creatures such as the Pekinese breed.

You are right that it was a labor camp and nobody was gassed.

The powder (Zyklon B — a pesticide) was touted to be for generating gas in the chambers but was used as a delousing agent. The powder was produced by IG Farben, a chemical company invested by the Jewish Warburgs and other bankers.

The Zionist Banker Jews like the Warburgs, Rothschilds, and Schiffs funded Hitler as did Prescott Bush.

The threat of Labor camp confinement was a way for the Rothschilds to flush contented European Jews into the Rothschild fiefdom being created in Palestine, and the other Rothschild fiefdom, America.

These same Zionist Jews funded the Bolsheviks and labor camps in Russia, and funded Mao and his genocide in China. The Zionist Jews created Nazism and Communism. That is why they had no problem using Neo-Nazis to over throw the democratic government in the Ukraine.

They used labor camps to provide free labor for their corporations and are planning the same for the US. This also explains why the Zionist Banker Jews never went after George Soros for chumming up with Nazi SS to go around confiscating Jewish property and sending Hungarian Jews to the labor camps.

In fact, he proved himself to them and is nothing more than a Rothschild front man.

You might find it interesting that the French Rothschilds completed the purchase of Charlie Hebdo in December 2014, right before the Mossad directed French 9/11. The Auschwitz celebration is a celebration by the Zionist Banker Jews for enslavement of humanity as a whole, Jews and Gentiles alike.

"The few who understand the system, will either be so interested from its profits or so dependent on its favors, that there will be no opposition from that class." — Rothschild Brothers of London, 1863

"Rothschild, the lord and master of the money markets of the world, and of course virtually lord and master of everything else. He literally held the revenues of southern Italy in pawn, and monarchs and minister of all countries courted his advice and were guided by his suggestions.

"Governments do not govern, but merely control the machinery of the government, being themselves controlled by the hidden hand." — Benjamin Disraeli, Prime Minister of the United Kingdom (1874-1880).

It has been discovered that the best way to insure implicit obedience is to commence tyranny in the nursery. — Benjamin Disraeli

"If my sons did not want wars, there would be none." — Gutle Schnaper, Mayer Amschel Rothschilds wife

"Of all the means I know to lead men, the most effectual is a concealed mystery. The hankering of the mind is irresistible." — Adam Weishaupt, father of the Illuminati, funded by the Rothschilds.

"I believe that banking institutions are more dangerous to our liberties than standing armies. Already they have raised up a monied aristocracy that has set the government at defiance. The issuing power (of money) should be taken away from the banks and restored to the people to whom it properly belongs." — Thomas Jefferson, U.S. President.

Jefferson had in mind when he wrote: "Merchants have no country. The mere spot they stand on does not constitute so strong an attachment as that from which they draw their gains."

"The banks will deprive the people of all property, until their children wake-up homeless on the continent their fathers conquered. — Thomas Jefferson, 3rd president of US

Also, I might add, most of the Jews who died in the Nazi slave labor camps from disease and starvation, either refused to go to Palestine or couldn't and many were opposed to zionism or the forced establishment of Israel.

Thus, the Zionist Jews by using their Nazi front organization were able to kill two birds with one stone; to establish Israel and get rid of undesirable Jews.

World War Jew II can basically be summed up in the sense that Deutschland was a target of theft for die Juden, who pilfered and robbed Germany after imposing the post WWJ I Treaty of Versailles on them.

The Germans, under the leadership of Adolf Hitler said, "We are taking back our country and culture and reclaiming what is ours."

Die Juden cried for help and demanded that America come over and rescue their international theft ring to help them get back their ill-gotten gains.

Die Juden stole Germany and American/Enland defended that theft.

America, England and their ally, the Bolshevik Judeo communists, then laid Germany to waste for having dared defend itself from the claws of International Jewry.

Think of it like this:

Someone is trying to pick your pocket and you have the nerve to fight back and refuse to hand over your wallet. The muggers cry for help, now someone hits you over the head while another guy holds you down and the original crook takes your wallet and leaves.

Now, ask yourself what you think the fate now of Jewmerica will be for having done this and continued doing it to other countries every since.

Die Juden sind unser unglück.

"The Zionist Banker Jews like the Warburgs, Rothschilds, and Schiffs funded Hitler as did Prescott Bush."

That is right off the script from Alex "Jew Wife" Jones which goes right along with Adolf Hitler being a Rothschild's agent.

"That is why they had no problem using Neo-Nazis to over throw the democratic government in the Ukraine."

How can you call the Kiev leadership under Porky Neo-Nazi when they are all Jews and the few who are not are Jewish lackeys as Brother Nathaneal has documented here on RJN?

They tag on the name "Neo-Nazi" to rope-a-dope the gullible Goyim.

If they are so very "Nazi" why are they not slaughtering off some of the high population of Jews in Ukraine? Ukraine has no shortage of Juden.

Seems like all these turban headed boogy men and "Nazis" slay everyone but die Juden.

Dear +BN

I wrote the following when I saw a CNN bully browbeat a tired David Duke into "confessing" that he believed in "The" holocaust. Maybe you could use some of its ideas in one of your youtube presentations ...

Peace and Love!

=== The Story of the Five Candles of the Holocaust Menorah ===

While talking with a well dressed, but overly aggressive, in fact, psychosexually neurotic, CNN jockey one day, I was repeatedly confronted, rather rudely in fact, with the unanswerable question, Do I believe?

"Well, of course I believe!," I answered, as emphatically and politely as I could. "But if you don't mind me asking," I continued, "exactly what is it that you are so worried that I must believe in?"

He continued to barked at me, with rage and discontent, as if it would bring me to heel. "Do you believe," he asked, "in THE holocaust?"

I stared at him, as stupidly as I could.

He continued to leer at me. He barked again, quite forcefully, "Do you believe ... Do you believe in THE holocaust?"

Apparently the poor man had no idea whatsoever, that he was making a fool of himself. He alone was able to see some invisible fifth candle of the Holocaust Menorah, when the rest of us see only four.

Apparently his personal integrity had collapsed under the weight the bald faced lies, and other psyops fantasies that his CNN controllers were forcing him to push. He was a paid suit for the collapsing gas bag of fake history known as "main stream media."

Realizing that I was dealing with a religious fanatic, I tried to answer him as honestly as I could.

"Well, I said, as the Holocaust, I believe in four out of five." Before he could respond, I added, "And four out of five ain't that bad!"

He took my bait and plundered in, "Just what do you mean, four out of five? I just need to know ... otherwise I will bedwet myself furiously, right here in front of you and the camera, and it will be all your fault if I do. I simply must know, Do you believe in THE Holocaust?"

In as calm a voice as I could muster, I explained that there was no need for him to bedwet himself over a few obvious facts of history. I then proceeded to explain.

"In the first candle on the Holocaust Menorah, We, the Chosen, see the extermination of approximately 60 million European Christians. They were exterminated by a handful of deranged religious fanatics, who by their art, had ensconced themselves behind the inestimable smokescreen of "We the Chosen."

"The military plans, prepared by the financial leaders of the "Allies" called for phosphorus bombing of the civilian districts of Western Europe. Including World War One, 60 million European civilian, mostly participating Christians, were methodically and systematically bombed to smithereens.

"General Eisenhower and Churchill's chief military planner, Lord Cherwell, born Lindemann, were the primary authors of the Allied bombing plan. Methodically, and in a precisely ordered sequence, the Christian populations of each of the cities, towns and villages across Western Europe were burned alive in their homes.

"The civilian districts of these villages, including apartment buildings, churches, schools, libraries, hospitals, and playgrounds, were fire bombed with military precision, in a precise sequence.

"The sequences by which these civilian districts were decimated, are an openly known fact of history. The sequence of Lindemann's and Eisenhower's plan cannot be erased. This is the first candle on the Holocaust Menorah.

"Its light represents the lives of approximately 60 million European Christians. It is widely acknowledged and is appropriately named the Candle of the White Holocaust."

My host was so shocked, he must have thought I had made a fool of myself. But, I had only begun to set my trap.

"Now before I continue to the candle of the Second Holocaust, I must take a few seconds to mention that, beneath the fountains of blood in the White Holocaust, there lies the long history of a deeper holocaust.

"But do not doubt for one minute, I explained, that the embers of this Hidden Holocaust do not still smoulder beneath the layers of psyops trash that have been smeared on history, by the psychosexually neurotic and religiously fanatic sluts, or should I call them suits, who bark and quack for the 'main stream media.'"

"This hidden candle, that smoulders quietly behind the modern Holocaust Menorah, is the root holocaust upon which all others spring.

"This hidden candle is sometimes called the Black Holocaust.

"Whereas 60 million Europeans were exterminated in the White Holocaust, an uncountable number of Africans, numbering well beyond the hundreds of millions, have been systematically exterminated, by the same Bolshevik or fascist Jews, in this larger, but Hidden, potentially even occult, Black Holocaust.

"Setting aside the unseen candle of the Hidden Black Holocaust, we come to the second candle of the Holocaust Menorah. The light of this candle is sometimes referred to as the Half-a-caust, or as the Holodomor.

"In the Second Holocaust, the PJOTUS (Psychotic Jews of the United States) were able to

exterminate another 30 million European Christians.

"These European and Russian Christians, who lived in the fertile valleys of Eastern Europe, were systematically exterminated, by methods of terrorism, theft, and murder, and by forced rape and starvation of women and children, by Bolshevik Jews, with heavy financing by Wall St.

"The third candle for the Holocaust Menorah comes next. The light of this middle candle was fully documented at least six times, by none other than the official New York Times, in the period from 1908 to 1932. This was before the Advent of the Second Coming of the Bolshevik, in a stooge named Hitler.

"And do we not all believe, I asked, that the New York Times is official keeper of the true record of real history.

"The light of the third candle of the Holocaust Menorah therefore reveals a true record of real history, as carefully documented in the NY Times, in the period 1908 to 1932. In this period, the NY Times accurately recorded and faithfully documented, the extermination of precisely 6,000,000.0 Jews.

"Not a dime of a Jew more, not a dime of a Jew less. Six Million, exactly. The New York Times identifies the extermination of this exact number as The Great Jewish Holocaust. Again, this is before the Advent of Hitler.

"So, there it is, my friend! There we have them. The four brightest candles of the Holocaust Menorah ... the Hidden Holocaust (1), the White Holocaust (2), the Holodomor (3), and the Great Jewish Holocaust (4).

I then explained, that seeing the light of four out of the reported five candles on the Holocaust Menorah ain't that bad.

"Unlike the first four candles of the Holocaust Menorah, the light of the so-called fifth candle remains a bit clouded. Reportedly, the crematoriums of the Wall Street labor camp at Auschwitz exterminated precisely, yet another 6,000,000 Jews. Then the numbers were revised, downward, and then again downward, and then again and again.

"There still remain open, a serious question, as to the credibility of this new and unabated religion fanaticism of the magical fifth candle on the Holocaust Menorah. The problem is simple. There are some facts that simply cannot be erased from the knowable sequence of history.

"You see, Jews were removed from their inner city homes, in the villages, towns and cities of Germany, and taken by railroad cars pulled by locomotives, to remote labor camps in rural Poland, in exactly the same sequence that the Allied bombardiers systematically fire bombed the civilian districts across Germany.

"Before the stay-behind Christian populations of any German village or town were scheduled to be bombed to smithereens, Hitler and his inner bureaucracy of Bolshevik SS, had to give the go-ahead to Lindemann and Eisenhower.

"After Jews of any village had been moved to safety, the remaining civilian populations were therefore ready for extermination.

The lie of the fifth candle on the Holocaust Menorah is easily seen.

When dealing with bacteria and viruses microbiologists investigate them by observing 24/7 its behavior.

They are helped with instruments like microscopes, colored substances and reactors and different techniques just to evaluate how they behave and react to the human marvelous curiosity and the holy grace given as sons of the Almighty always in order to gain knowledge and healing cures to nature diseases.

I consider Judaism a human, spiritual and cosmic disease.

A terrible one that protects itself from being defeated with all kind of weapons, from the mind-intrusive psychology to ones like spreading perversion, manipulation, brain washing, false statements, and superstition.

All of which then passes through more invasive and direct contact ones like extortion, bribe, threats.

Finally the massive, direct, physically injurious weapons and artillery of all kinds, from the ancient soft sharp blades and swords to the complex thermal nuclear weaponry set to be used in and from the invaded territories of Palestine and the coopted corrupted nations under the Zionist commands all around the world.

As a human, we, not the Jews, can enjoy the beauty of nature, the flight of the birds, the dives of the fish.

The Jews can't enjoy anything of this miracle mystery of the conscientious existence, the fresh air we all breath, the peaceful and fertile soils and grounds filled with all sorts of live forms on the earth, air and water just for the reason they have convinced themselves they don't even belong here.

They inexplicably exclude themselves from the greatest miracle in the whole universe that is belonging to a blessed part of it called planet earth and among the variety of species that

one and only that shares the infinite generosity of God the Creator and His Son our Savior in this peregrination to the higher goals imaginable and unimaginable, hand by hand, voice to voice, soul to soul.

My recommendation for the Jews would be nothing less than an exorcism, a deep introspection, and conversion, as I consider them possessed beings by the most sinister forces that the existence can inflict on any human being.

@Elder of Zyklon B

That Hitler was funded by Frankist Jew financiers, IMO there is no doubt. Ive researched this ad nauseum for 35 years, and the conclusion of Molecule in an earlier post was spot on: Hitler was a Rothschild stooge who MURDERED 14 MILLION GERMANS!

There is an old Russian proverb that goes something like..." a Jew is someone who cries woe is me as he murders you."

By '32 the NaziParty was dead broke. And with horrific war reparations, the future was bleak. Then, all of a sudden, the party is flush with cash, assumes total control, then proceeds to lead Germany through the "German miracle".

If you believe this happened without Frankist Jew finance help I've a bridge to sell you, especially when the rest of the world was in the throes of the Roth-Rock depression.

You give a nation that has been eating wall paper for a decade some prosperity and they will follow you off a cliff, and that's EXACTLY what happened.

The greatest trick the devil (Jew) ever pulled was convincing the world he didn't exist.....

Lets look at what the Rothschild stooge (Hitler) did. Operation Barbarossa? Didn't anyone ever tell the Fuhrer that 30 armies in the last 500 years tried unsuccessfully to invade mother Russia? All military blunders (Paulus near Stalingrad, and the real holocaust of the 6th army) were attributed to bad "decisions" by the Fuhrer.

How about D-Day? The greatest amphibious landing in world history was coming, but the Fuhrer took a sleeping pill (from the great prop film "The Longest Day"), so he couldn't send the panzers to the coast pushing the allies back into the Atlantic?

Pleease....D-day occurred at the SIXTH hour of the SIXTH day of the SIXTH month of the year: 666!

A Satanist-Rothschild operation to kill Christians from top to bottom.

How many top military German commanders who had the best interests of their soldiers and of the German people were relieved of their commands, or were shot?

Quoting +BN, "Men such as Roger Bacon, Peter Henlein, Robert Fulton, Thomas Edison, Alexander Graham Bell...gave to the world a HUNDRED x HUNDRED what Jews have given."

Absolutely spot on correct! Although seen not nearly as often as from White Christian individuals, let's also pass credit, when credit is due, with regard to non-White sharp intellects and achievers in science and technology.

Case in point that comes to mind is George Washington Carver.

Assuming that the media's portrayal of this historical figure is accurate, Mr. Carver was an incredible individual who overcame very difficult circumstances to realize numerous scientific contributions in agricultural science during his lifetime.

Well Brother Nate,

I don't reckon anything comes as a surprise to students of the Bible. About the children of the devil, the Master's great ambassador Paul said long ago:

". . . the Jews: Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men: Forbidding us to speak to the Gentiles that they might be saved, to fill up their sins alway: for the wrath is come upon them to the uttermost." 1 Thess. 2:14-15

Perhaps history is repeating itself. I reckon the wrath is coming like it did in 70 A.D., though we are impatient.

Keep up the fight, Brother! You are liken to the great ambassador Paul in our day.

You never cite a single, authoritative source. You watch too many YouTube videos.

It took three years for Chancellor Hitler to heal Germany. It's not as difficult as you make it out. He cut off the Jew banks and began printing German money without debt attached.

We could do the same thing in the JewSA, but we're too brain-washed with the ridiculous notion that all wealth has to come from Jew bankers — a notion much supported by "Hitler was a Rothschild agent" and "Hitler was a Jew" propaganda.

Nobody loves such garbage more than the Jews. I can see the same garbage coming down the road about Putin. All the while the Jew snickers up his sleeve.

Nobody, and I mean nobody that studies Hitler's own writings and opinions would buy into such garbage.

Dear +BN,

Thank you so much for a touching and inspiring Article. It's very uplifting reading about Ursula Haverbeck.

What a beautiful woman and an example for Germandom, and also for the rest of us.

Frau Haverbeck is sweet, she's smart, courageous, she doesn't seem to have a mean bone in her body and has a forgiving nature. Yet, in her forbearance, she righteously demands truth, setting the record straight, and justice for herself and the German people that the Jews have stolen all these decades.

God grant her many years and success on her criminal complaint!

There is no statute of limitations on murder.

Jerusalem Post Provides Another Example of NJPASD (Narcissistic Jewish Post-Auschwitz Stress Disorder) and its anti-human psychobabble:

The acclaimed British [Jew] novelist Howard Jacobson opened his speech at the B'nai B'rith World Center in Jerusalem last October with piercing sarcasm: "The question is rhetorical. When will Jews be forgiven the Holocaust? Never."

However, there has been a shift in the underpinnings of anti-Semitism. Israel has become the collective Jew among the nations, as the late French historian Léon Poliakov said about the new metamorphosis of Jew-hatred.

Jacobson was piggy-backing on the eye-popping insight of the Israel psychoanalyst Zvi Rex, who reportedly said: "The Germans will never forgive the Jews for Auschwitz."

The anti-Semitic logic at work here is Europe's pathologically guilt-filled response to the Holocaust, which, in short, is to shift the onus of blame to the Jews to cleanse one's conscience.

Two German-Jewish Marxist philosophers – Max Horkheimer and Theodor W. Adorno – coined an esoteric sociological term for what unfolded in post-Shoah Germany: Guilt-defensiveness anti-Semitism.

On the one hand, Adorno and Horkheimer may come across as kitchen-sink psychology. On the other hand, the explanatory power behind anti-Semitic guilt animating hatred of Jews and Israel can provide a window into Europe's peculiar obsession with the Jewish state.

Europe is largely consumed with imposing discipline and punishment on Israel. How else to explain the efforts by the German government and fellow EU member states to label products from the disputed territories? The EU refuses to apply the same label system to the scores of other territorial conflicts ranging from China/Tibet to Turkey/Cyprus to Morocco/Western Sahara.

The origins of Europe's disturbing preoccupation with Israel can be traced to the late 1960s. The Austrian Jewish writer and Auschwitz survivor Jean Amery recognized that "anti-Zionism contains anti-Semitism like a cloud contains a storm."

The German-Jewish author Henryk M. Broder perhaps best captured the toxic mix of pathological Holocaust guilt with the desire to dismantle Israel. In an article he wrote in the early 1980s he told his contemporary Germans: "You're still your parents' children. Your Jew today is the State of Israel."

Sacha Stawski, an expert on anti-Semitism in the German media, told The Jerusalem Post on Monday that "Israel-related anti-Semitism is probably the most common and most persistent form of anti-Semitism in all levels of society today."

Stawski, who is a German Jew and editor-in-chief of the media watchdog website Honestly Concerned, added: "Today it is no longer fashionable to hate Jews outright, but it is perfectly acceptable to debate about and to demonstrate against the very core of the Jewish state's existence – in a way and with emotions unlike that about any other country."

The social-psychological theory articulated by Adorno and Horkheimer might, just might, provide a macro-level grasp of a pan-European epidemic that is fixated on turning Israel into a human punching bag.

Benjamin Weinthal reports on European affairs for The Jerusalem Post and is a fellow at the Foundation for Defense of Democracies.

Lest I Forget...

Another Example of Jews with NJPASD Attempting to Erase Gentile Achievement (particularly English & European) in the Name of Eradicating Every Last Viral Sized Particle of "Anti-Semitism":

The Booker prize-winning [British Jew] author Howard Jacobson is to rewrite Shakespeare's most controversial play, The Merchant of Venice, in a bid to tackle its anti-Semitism.

The Jewish writer has vowed to re-explore some of the more debated aspects of the Shakespeare play. Opinions vary over the plays protagonist, the Jewish money-lender Shylock, who seeks "a pound of flesh" from a Christian merchant who is unable to repay him.

Shylock loses both his fortune and his daughter at the end of the play, and is forced to convert to Christianity, and historians say that his character was exploited in Nazi propaganda.

Embarking upon the project, Mr Jacobson vowed not to shy away from those central aspects of the text. "Mr Shakespeare probably never met a Jew, the Holocaust had not yet happened, and anti-Semitism did not have a name," he said. "Can one tell the same story today where every reference carries a different charge?"

He added: "For an English novelist, Shakespeare is where it all begins. For an English novelist who also happens to be Jewish, The Merchant of Venice is where it all snarls up. 'Who is the merchant and who is the Jew?' Portia wanted to know.

"Four hundred years later, the question needs to be reframed: 'Who is the hero of this play and who is the villain?' And if Shylock is the villain, why did Shakespeare choose to make him so?"

The signing of Mr Jacobson, who won the 2010 Man Booker Prize for his novel The Finkler Question, is something of a coup for the publisher Penguin Random House – which has also signed the revered Canadian author Margaret Atwood to rewrite The Tempest.

The pair join the British writer Jeanette Winterson who will rewrite The Winter's Tale and the Pulitzer-winning American novelist Anne Tyler who has signed up to rewrite The Taming of the Shrew.

The novels will be called the Hogarth Shakespeare and published in 2016 to coincide with the 400th anniversary of the playwright's death.

Other names are expected to be announced shortly. The publisher said the new versions "will be true to the spirit of the original dramas and their popular appeal, while giving authors an exciting opportunity to reinvent these seminal works of English literature".

The decision to rewrite The Merchant of Venice comes more than a year after Mr Jacobson accused leading actors – including Emma Thompson and the director Mike Leigh – of "McCarthyism" for attempting to block an Israeli theatre company performing a version of The Merchant of Venice in Britain.

"Whoever would go to art with a mind already made up, on any subject, misses what art is for.

"So to censor it in the name of a political or religious conviction, no matter how sincerely held, is to tear out its very heart," he wrote at the time.

"For artists themselves to do such a thing to art is not only treasonable; it is an act of self-

harm.”

“However, I must disagree with 1/2 of your assertion:...” and you go on to quote the many gentile men who have been responsible for most of the world’s technological advancement.

Ah well then, I stand corrected! I was thinking of the many studies that have been done which attest to Jewish people scoring higher than all others on standardized IQ tests, and their drive to succeed in academia.

I do realize however, that Jewish networking may well play a role in this as well.

January 25, 2015 @ 3:19 pm

Your observation about Operation Barbarosa is right on!

Railroad locomotives that should have been used to maintain a supply line to the German Army were used instead to populate the Auschwitz et.al. labor camps program.

Hitler sent the only military force that could have defended Europe, including his best equipment and generals and most highly trained troops, 1000 km into Russia, into a rolling horseshoe defense setup by the Soviet Red Army. To make matters worse, the German Army was more defensive by design, than offensive.

The whole thing of Germans marching outward for lebensraum was a lie.

While in Russia, the German Army was completely dependent on German locomotives for its supply line for fuel, ammo, blankets, replacement tires and tank treads, and etc.

But, instead of using locomotives to maintain a supply line for his army, now stranded in Russia, Hitler used locomotives to move inner city Jews to the safety of rural encampments. Hitler put his most important labor camps in Allied territories, like Poland, where the Allies couldn’t strafe or bomb.

**IMO, It’s beyond question that Hilter and his innermost SS bureaucracy were deep-cover Gladio. To maintain secrecy, Rothschild had the Gladio terrorist and treason operation financed through an 1934 operation that was buried deep within the US Treasury, called the Exchange Stabilization Fund, or ESF for short.**

The funding for Hilter and his SS began long before WW-II.

**There is an important, but little known, 5-part series of short YouTube vids called “The ESF and its History.” The ESF is a top secret fund controlled by the Secretary of US Treasury. This fund secretly controls the funding, for the banks that control the Federal Reserve.**

Globally, it also controls and funds the BIS, the IMF and the World Bank. It is the fund that trafficks in drugs and finances terrorism worldwide.

Railroad locomotives are a hyper-critical resource of war. Their use is never allocated to trivial purposes.

Instead of using locomotives to maintain a supply line for his army strangled deep within Russia, Hitler and his SS bureaucracy used German locomotives and rolling stock to move **Jews to safety before the Christian “stay-behinds” of the respective villages and cities were sequentially bombed to smithereens by intensive firebombing by Allied forces.**

The bombardiers were not given the key to a fleet of B-17s, and told to go somewhere and bomb something. For each bombing raid, they were given exact coordinates of specific CIVILIAN targets.

**Google Lindemann’s civilian bombing plan. One by one, the civilian districts were released for bombing, after the Jews who lived there were first moved to safety.**

That is the main part of what Hitler’s concentration camps were all about.

**The idea of the “American Sniper” did not start with Vietnam or Iraq. The American Snipers of World War II were the Bombardiers of the B-17s, the Flying Fortresses with their Norden bombsights. The Norden bombsights were like a modern sniper’s telescopic sight.**

They were able to precisely drop bombs, from high altitudes at night, to within 23m of accuracy. With these American Snipers operating from 10,000 ft and more, the Allies were able to bomb civilian districts without dropping so much as a single bomb on any of the Wall St.-financed IG Farben factories.

They needed to be saved, in order to prolonging the war.

The lie of the whole holocaust story starts to stink to high heaven. More importantly, we don't need any insider information to figure it out. Hitler used railroad locomotives to move Jews to rural labor camps. (No Jew will ever deny it.)

While the German army was starved for supplies and being slaughtered in Russia. the Jews were moved to the safety of rural labor camps, and the "American Snipers" of WW-II dropped bombs on the "stay-behind" civilian populations in the villages of Europe.

And they dare to ask us, if we still "believe!"

A steady drip, drip, drip of spin in the media to remind us, yet again, that they are the victims and every one else was the perpetrator.

It has to be orchestrated internationally.

By the way, from my reading of history, Ukrainians seem to have been the most numerous of concentration camp guards.

January 25, 2015 @ 4:45 pm

I seriously reckon that the well-fed and fat Jews being released were typical, and that the skinny photos of dead people we see, besides those Jews who died of dysentery and typhus, are in fact actually Germans deliberately murdered by Eisenhower and co.

I have read that 8-12 million Germans were killed in Germany after the official close of WWII between 1945 and 1950.

I have read that the camps were used again for this purpose during this period, which would be perfect for the horror film director Alfred Hitchcock, who was purposely sent into the camps when they were taken by the 'allies' to make propaganda horror movies.

AR Butz demonstrated in his book, *The Hoax of the 20th Century* that a huge pile of matchstick-thin corpses in one well-used Allied propaganda photo were not in fact those of Jewish victims of the holocaust at all, but those of Germans from Dresden.

They had died in the terrible aftermath of the mass fire-bombing atrocity in Dresden, of starvation.

Bodies like those were ideal for 'Allied' propaganda shots.

In Babi Yar, near Kiev, 100,000 bodies were found that the Russians wrongly claimed were Jews killed by the German SS in WWII, when in fact, the bodies were 20 years old, from a time when Bolshevik Jews themselves had massacred 100,000 Christians in that same place.

So the Jews punished the German Christians for that, thus killing Christians twice over for what had in fact been a crime of the Jews themselves against Christians, whilst falsely proclaiming themselves, the Jews, the victims, as always.

The trouble is, very few can believe that the Jews would fake evidence like this.

Fighting has been continued everywhere along the frontal line. The situation at the areas of Debaltsevo and Mariupol is especially strained.

LUGANSK area. NAF mopped up Troitskoe and Mius. Army of Novorossiya advanced to the suburbs of Popasnaya and started close fight with UAF. Krasny Yar, Stakhanov and Pervomaisk have been under fire by Ukrainian forces.

Heavy fighting has continued near Debaltsevo and Chernukhino, as well as near Lisichansk. Approaching Debaltsevo, NAF have broken through the 2nd defence line (from four).

(Tatiana Silina writes that according to her sources Putin's real peace plan for the Ukraine is composed of the following elements.)

#### Putin's 8 point peace plan:

1. The federalization of the Ukraine (even if under another label such as "de-centralization.")
2. A special status for the LNR and DNR which would include the creation of a purely local political authority not subordinated to Kiev.
3. A purely local political authority not subordinated to Kiev.
4. A full budgetary autonomy.
5. Full freedom to chose the official language.

6. Full cultural freedom.

7. The right to "chose the vector of economic integration."

8. The Ukraine must be declared a neutral state.

All of the above must be explicitly stated in the Ukrainian Constitution.

On the Sunday of Zacchaeus, in Russian understanding beginning of the road to The Great Lent.

From Zionist seigniory Chicago:

Earlier in the day a very respectable lawyer type — who'd not be caught dead 'reading' anything labelled RJN — admitted this is one of the most 'truthful' sites on the net. He must observe from a distance. BN+ gets it done.

In response to what the Soviets know about the Hollyhoax. A 2 inch AP story, early 90's, back page buried-Chicago Sun-Times, Saturday edition (lowest circulation day for newspapers) was exactly about that. Story asserted the holocaust narrative was Soviet created propaganda purposed at world incitement against the Nazi's.

Sources cited were Soviet archives opened by Yeltsin. The report went on: Soviet intelligence estimated 'holocaust victims' at 250,000.

Makes perfect sense. Anyone with half a brain — that leaves me out — would have made story copies and put one away.

It is not the job, nor in the interest, of the Russian government to disseminate this history for us. Why we have a 'free' press.

@KathJuliane

Chesterton wrote, the literary detective is a Christian hero. Kind of like +BN.

As for our friend the lieutenant, who you call the great K, certainly he was that. His series, running 5 years beginning in 1973, was replete with Christian symbolism, allegories, references: "...did you spit three times ?" " Stavros, get in here!..." Stavros. The crucified one.

So the great K had to go. Tootsie Roll Pops and all. The masonic obliged PTA was brought in to declare the show too violent and injurious to the children's psyche.

Unresponsive, it was, to children's formative psychological needs to witness and understand same sex cohabitation or vampire worship. The deconstruction of Christian civilization was already much in progress 40 years ago.

Even rock and roll or doo-wop had disappeared by then. Songs with lyrics about angels and commandments — The Lord and heaven. Listen to Elvis or Mahalia or Larry Chance sing "I Believe."

"I don't want to write the poems but the songs people listen to," said Plato.

Now we find ourselves listening to the deafening sounds of Talmudic darkness.

Sgt. Joe Friday's badge number was 714 — honoring the number of home runs hit by Babe Ruth.

The lieutenant's call number? "Car Seven- Two- Three." Divine numbers. Chesterton had it right.

What can I tell ya' Kouchikoo?

Dear Bill,

To get an idea of what prison camp typhus and other virulent diseases, on top of overcrowding, inadequate nutrition and diet, and horrible sanitary conditions can do to a person, there are antique photos of "living skeletons" who were Union Army POWs at the Confederate Andersonville Prison in Georgia during the Civil War.

Prison camp typhus and other can waste a person to an anorexic state within weeks.

"The first prisoners were brought to Andersonville in late February 1864. During the next few months, approximately 400 more arrived each day. By the end of June, 26,000 men were penned in an area originally meant for only 10,000 prisoners.

"The largest number held at any one time was more than 33,000 in August 1864. The Confederate government could not provide adequate housing, food, clothing or medical care to their Federal captives because of deteriorating economic conditions in the South, a poor transportation system, and the desperate need of the Confederate army for food and

supplies.”

<http://www.civilwar.org/education/history/warfare-and-logistics/warfare/andersonville.html>

Andersonville created an enormous scandal across America, but I don't think that Confederate Army POW camps in the North were that much better.

Military and civilian inquests were held on both sides. I recall the Confederate Army was exonerated of any malicious ill will or deliberate cruelty for the conditions of Andersonville arising from war.

The truth is, in war everything civilized breaks down and becomes dysfunctional; famine, diseases and plagues follow war and will afflict a civilian population for years.

In the 1920s and 1930s, some of the best scientific minds and epidemiologists of Europe labored to invent measures and pesticides in order to eradicate and control the pandemic of typhus-carrying lice which bloomed after WWI. Zyklon-B was one of pesticides invented.

I've seen photos of Zyklon-B being dusted on Mexican agricultural workers at the U.S. border.

I recall reading that the Australians also used Zyklon-B during WWII to control lice on refugees from the Pacific theater being admitted into a then modern refugee 'concentration camp' which even had "gas chambers" for delousing clothing and personal belongings.

Auschwitz? No. Andersonville. These are very graphic photos from the POW camp.

Hello Kathjuliane,

I'm very acquainted with civil war history, being a Tennessean, having ancestors that fought practically in my front yard as I live near Shiloh. But I'm a bit confused as to what that has to do with the murder and starvation of millions of Christians when these poor victimized Jews took over in Russia, or my suspicion that these people are using pictures of people that were dying at their hands to say oh look what happened to us poor Jews.

Knowing what I have learned about these historic liars it seems like a likely scenario. Unless you are suggesting that they are using pictures from 80 years earlier, which wouldnt surprise me either ...I only seek the truth ...respectfully, Bill

## Seek The Truth

January 26, 2015 @ 8:17 am

According to this web page, the Red Cross, right after WW II, estimated the deaths of Jews in Nazi concentration camps at 271,301.

With most Jews dying from disease and starvation because the Allies bombed the supply trains that went to the camps.

<http://beforeitsnews.com/alternative/2013/11/international-red-cross-records-put-the-holocaust-death-toll-of-camp-inmates-at-271301-2835710.html>

I suspect that the Zionist Jews that ran the U.S. government during WW II knew they had to have a lot of dead Jews to establish Israel, so they ordered Eisenhower to bomb the train tracks and at the same time got rid of a lot of undesirable Jews who didn't like Zionism.

Well on the 27th, we should expose this gross lie along with the string of other hoaxes and false flags like 9-11 since the Mossad had their hands all over that one.

I am sickened how I was brainwashed to feel sorry for these people in school. I actually had nightmares from the movie Schindler's List. They made us watch that crap in 8th grade. I was terrified and till this day I don't think you could find a horror movie that matches it's contents.

No more! We've had enough! I can't believe those old Jewish folks who tell their sh\*t stained stories...evil..pure evil.

Very interesting debate.

However, there were people killed at German concentration camps, even if the number is not as high as the liars want it to be. This is an entirely different narration of the story, which I find highly credible.

I have not seen the evidence of the financial support of Hitler by the known Jewish bankers, but it seems likely that he was quarter Jewish as rumors said also 40 years ago, as his grandmother allegedly worked at a Rothschild estate.

But as a double agent, his mentors were Jesuits and they are not ordinary Jews, does not mingle by Jews and keep their connections to wall street secret. This set-up must have been acceptable to the grand poobah. For the aim was clear, Germany should lose and bleed badly.

Heinrich Himmler who had the responsibility for the camps and its set-up was fully educated Jesuit priest in 1925. The formation of the camps on the world map forms this pentagram which when seen is unforgettable.

Who does such “holy” geometry? Its all over London and Washington, to say its the grand architect should be agreeable to all.

I think few here have seen this material -  
( [one-evil.org/content/acts\\_vatican\\_holocaust.html](http://one-evil.org/content/acts_vatican_holocaust.html) )

And I find this perspective very practical, if I ever should be asked if I do or don't believe in holocaust, I have the chance to tell about the evil Jesuits of Vatican, and that more neutral research is needed.

Steven Spielberg, best known for showing tattooed Christian images on his Jewish Russian criminals, was just on CNN's Wolf Blitzer talking about Auschwitz.

He said he was disappointed that the tour guide said “so many victims died” but did not specify “Jewish” victims.

He then says he dipped his hand in a watery ditch and it came up covered with bone dust that had settled in the water after being cremated and was still in the water 69 years after the war.

I don't know if burned bone dust can last that long in water, or if it was seeded, as the ovens seem to have been built after the war, or just what is going on there. There is bone ash after a cremation, but how long it lasts in water I cannot say nor of course can you tell if it was Jewish bones, seeded dust or Catholic bones.

Additionally, I would imagine any fires were fueled with regular coal which burns at a very high temperature, much higher than charcoal.

I think about 3,500 degrees F. By finding the type of coal and its burning temperature and effect on bone you could soon tell if his tale was bogus.

The term "Jewish Holocaust" is clearly associated with the "name" of the great Theodore Herzl, who is the greatest Jewish hero of and who is given the most single Jewish credit for the bringing about of today's new country of Israel.

Jewish = Theodore = Theology of God

Holocaust = Herzl = Jewish hurts

I recommend that everyone should read the short pamphlet that is written by Theodore Herzl titled "The Jewish State." In this pamphlet Theodore mentions how the bringing about of today's new country of Israel would come about due to Jewish hurts.

This pamphlet may be available for free online, by doing a Google search for the Google subject as follows: "The Jewish State by Theodor Herzl PDF."

Dear All -

As regards the journalist's "Putin's 8 Point Peace Plan" (posted above)...

From Putin's and Russia's point of view, the 8 points are entirely consistent with what Putin and Lavrov have said all along. A tremendous amount of planning has gone into the Minsk framework.

Not mentioned, and I haven't read that the opinion polling from last year changed, outside of Donetsk and Lugansk with the high percentages of ethnic Russians, even the Russophile Ukrainians in the South/East oblasts — who HATE the Kiev Jew-enabled junta — don't want to be fully independent from Ukraine or appendages of Russia.

Brotherly feelings are terrific but the Russophilic (lovers of Russia) Ukrainians don't want to move into the Kremlin either.

So, Putin long ago understood that if the Russian armed forces went in, other than on a quick limited intervention into Donbass, they would not be treated as friends and liberators, but as invaders.

ALL of Ukraine would be in an uproar. (I have discussed all of this with a Russian professor who is a friend of mine and contact as well as another contact who is an astute Russia watcher.)

Friendly Ukrainians who don't buy into independence would turn hostile fast, as well as the neutral Ukrainians who don't subscribe to the uber-nationalism of the Banderites, either.

Quite the strategic juggling act.

Russia "needs" Ukraine to remain intact, otherwise it will become another NATO occupied country.

Why is that?

Because if the Donbass region in East Ukraine breaks away from Ukraine proper and becomes a republic of Russia then all the vultures (Poland especially) will claim various parts of Ukraine as their own territory and voila!...Nato moves in with Poland, a Russia-hating Nato country. (Just ask the Russophobe Brzezinski.)

Putin wants to keep western Ukraine INTACT and CONTIGUOUS with Eastern Ukraine (as ONE country) as a buffer against Nato occupation.

That's smart geopolitics. A full scale invasion would NOT be in Russia's interests. +bn

OT re Putin:

Putin has pulled off a HUGE strategic event, which EVERYONE is missing.

He is offering 1 hectare (2.5 acres) of raw land to every couple who will live there, in perhaps the most beautiful place on the Earth. It is the Montana of Russia. It is in the eastern Russia. The water is pure, rivers full of salmon, plus minerals include oil, diamonds, etc.

Putin is offering the land tax free forever, and revenues derived from the land are tax free as well. Thus, if you grow blueberries and sell blueberry jam made on the farm, that income is not taxable; if you raise bees, income from the sale of honey is not taxable, etc, etc.

If the land is not sold and stays in the family, it remains tax free.

The model for this was created Vladimir Megre, author of Ringing Cedars and Anastasia. He is a friend Putin's campaign manager (don't recall it right now). (Google putin megre ringing cedars together and it will come up.)

This is strategic because Putin has a worldwide following amongst the youth. They see that this idea makes sense.

Second, any Russian in Ukraine who wants a place to live and to create a place for his family can come to Russia, and live their tax free. Third, any Ukrainian who wants to send his children to live their while he fights for Ukraine will know in his heart that his children have a place to live.

I believe this is a huge psychological and spiritual move by Putin. It has been widely reported, including by Russia Today (RT.com). I believe it is potentially a hugely powerful spiritual dimension to the struggle against Russia.

A beautiful move by Putin!!

Let me say this dear Brother:

I grew up in Poland and yes, I have visited Auschwitz. Where I have no doubt that many stories about Aushwitz/Oswiecim are bogus, many other are not. I have my doubts about gas chambers and 6 millions who supposedly died there (corrected to 1.5 million several years ago).

Official documents written by Germans themselves (in Russian possession) lists about 550 thousand dead. For various reasons I believe that number around one million plus is accurate. Also, overexposure of Jewish deaths in official narrative is annoying as well. I believe that about 40% of all killed there were Jews.

Now, despite common narrative here and elsewhere I have to unequivocally state that in my opinion all camps were extermination camps despite any official label. The reason is **simple....the extermination was carried by hard labor and malnutrition.**

If you have any doubts about true purpose of this camps then please take under consideration that the only way out of there was through the proverbial chimney.

Bro Nathanael, I am NOT trying to defend Jewish narrative here, but as Polish/American citizen I know better history of my country than most of Americans do. That includes those who deny mass extermination by Germans of the people of my country including Jews.

Simple fact is that before WWII there were about 6 million Jews living in Poland, now it is about 10-15 thousand. Some emigrated, some survived, most died!

Please understand that I am not Jew and I am NOT supporting Zionist narrative here, I am stating what I know to be true. Moreover, I am as much upset about misdeeds those "chosen" people do to others, at least as much you are.

Yet, falsifying history puts us on the same moral level as they are and I strongly object to that!

Btw, it was the Soviet Red Army on Ukrainian Front that freed Oswiecim prisoners. The only true Ukrainian army was the fascist army that fought TOGETHER with Hitler AGAINST Russians.

### Merkel: It's a Disgrace Jews in Germany Still Face Threats

At an event for the commemoration of the liberation from Auschwitz, Chancellor Angela Merkel stresses 'anti-Semitism must be stood up to.'

German Chancellor Angela Merkel said Monday it was a "disgrace" that Jews in Germany faced insults, threats or violence, as she marked 70 years since the liberation of the Auschwitz death camp.

Merkel joined survivors of the former camp, created by Nazi Germany in southern Poland, for a somber and moving event in the German capital ahead of Tuesday's anniversary, AFP reports.

Auschwitz is a "warning" of what people can do to each other, Merkel said, adding that the camp - the site of the largest single number of murders committed during World War II - had been an "atrocious departure" in the course of history.

She said more than 100,000 Jews have today made Germany their home but that it was "unfortunately not without cause" that some feared insult or assault.

"It's a disgrace that people in Germany are abused, threatened or attacked when they indicate somehow they are Jewish or when they side with the state of Israel," she said, to applause.

Merkel said the fact that synagogues and Jewish institutions had to be guarded by police was like a "stain on our country".

Anti-Semitism and other forms of inhumanity must be stood up to, Merkel said.

She stressed the "everlasting responsibility" for Germans to remember the horrors unleashed by the Nazis and that the memory of the Holocaust shaped Germany's self-image.

"With us, everyone must be able to live free and safe, irrespective of religion or origin," she added.

She also referred to the deadly attacks in Paris earlier in the month against the Charlie Hebdo satirical weekly and a kosher supermarket and stressed the unity of people of different faiths.

Between 1940-45, some 1.1 million people, including one million Jews, perished in the twin death camps of Auschwitz-Birkenau created by Nazi Germany in Oswiecim, southern Poland.

Two survivors addressed the Berlin event together with three young people from Poland, Israel and Germany.

Josef Schuster, head of the Central Council of Jews in Germany, said in a written statement that all of German society had an "abiding commitment" to remember the Holocaust.

He also said the threat against Jews worldwide had increased and that assaults by radical Muslims were an additional danger for the Jewish community.

"Nobody may shut their eyes to that," he said.

Putin was the only world leader to congratulate Greece's new president for winning the last election.

None of the others all of whom allege to believe in elections and democracy, contacted him. I would not be suprised to see Putin bail out Greece with interest free loans and in that way begin the gradual break up of NATO.

If cash strapped Italy, Portugal and Spain see they have a reliable friend in Putin with perhaps interest free loans, as opposed to a bunch of shylocks in NATO and at the world bank who saddle them with debt, he may be able to destroy NATO without firing a shot.

I like the Auschwitz expression "Arbeit Macht Frei".

It's actually the same as what used to be called the "American Dream," and means if you work hard you will have a good life and become free from worry.

Now of course the American Dream means if you work hard you end up with empty pockets and get to bail out the debt of the gamblers at the Goldman-Sachs casino.

Another thing I don't think the Jews yet understand is their falling star of David is related to their behaviour and not to anti-Semitism, since most of them aren't Semites anyway, and yet all the Palestinians whom they are killing and whose land they are stealing are. The Jews are the world's most anti-semetic people by far.

. Killing an 85-year-old quadrapelegic and blind Palestinian protester in a wheelchair by using an Apache helicopter gunship and hellfire missiles is not an example of courage.

. Murdering more than 700,000 unarmed Palestinians to steal their land and then holding them as hostages in cement cages is not something God would choose his people to do.

. Running over and killing American Peace protester Rachel Corrie with a bull dozer is the act of a primitive, backward, and barbaric people.

. Attacking and killing the unarmed crew of the USS Liberty in order to bring America into a war with Egpyt is a classic stab in the back. Because since the end of WW2 half of all American Foreign Aid has gone not to help the poor in places like Africa, but to Israel and the Jews who are per capita the richest people on earth.

With friends like Israel who needs enemies?

. The Israeli led attack on the world trade center using Arab patsies to generate war with Iraq (and Libya, Syria, Iran etc) on the road to creating "Greater Israel". This isn't just a stab in the back its a formal declaration of war on the United States and all other countries whose citizens died in the building (for example 120 Canadians).

This is the killing of as many Americans as the Japanese killed at Pearl Harbour, the main difference being the Japanese, an honorable people, attacked only military targets. The Jewish state, as usual stabbed its best friend and financier America in the back, and murdered her weak, trusting and unsuspecting — her civilians.

The only proper response to the above is:

1) Establish a no fly Zone over Israel, The City of London, South Miami, certain counties near Hollywood, the Catskills, the homes of Timothy Geitner, Janet Yellin and other suspects, and the Rothschild estates throughout Europe.

2) Seize the assets of all the above plus many others including all the Rothschild estates in Europe to be liquidated for the public good.

3) In imitation of the American attacks on Japan, obliterate two Israeli cities with nuclear warheads including Tel Aviv and Haifa.

4) Set up concentration camps across America (The FEMA camps and football stadiums will do) so America's entire Jewish population can be held for interrogation.

Hard core Zionists can be sent to GITMO for waterboarding using humane standards already establish on Muslims. That is no prisoner is to be water boarded more than 180 times to extract a confession.

5) Those found guilty of association with 9/11, using standards established at the Nuremburg Trials, should be executed using the NATO approved method used on Colonel Khaddafy.

What has not yet sunk in with the likes of the "There's No Business like Shoa Business" crowd like Wolf Blitzer and Steven Spielberg, is that a great many people who once considered the holocaust to be a great tragedy have changed direction and now consider it to have been a good start.

Many make the same understandable error that you have, in supposing that the official IRC figure for total dead in all the camps of 271,301 to be that of Jews alone.

Of course, it cannot be, as many other groups we also held there.

A more realistic figure for the total dead of Jews in all camps would rather be around 35,000 to 50,000 or so.

"Jews for Jesus" are EXACTLY as they numerically put it:

JEWS first...then 'for Jesus.'

The Holy Church Father, St Ignatius, (the child who sat on Jesus' lap), stated in his 1st Century Epistle to the Magnesians:

"Be not deceived with strange doctrines and things in which the Jews make their boast. For if we still live according to the Jewish law we deny that we have received grace."

That's Jews for Jesus in a nutshell and the entire messianic Jewish movement.

They DENY by their 'strange doctrines' and their keeping of Jewish feasts (impossible since the Aaronic priesthood has been exterminated forever) that they have received grace.

That argument is no longer valiant in this side of universe. Unless you believe Americans know better about their history just because their fathers fought for Eisenhower, Lincoln, so on.

One of the first things I learned following this site is that when your opinion disagrees with the facts, you don't dismiss the facts. You examine the evidence and determine why there is a difference.

Sometimes you need to look at the facts in a new light but most times, especially with resource that have been peer reviewed and vetted like RJN, you're far more likely to need to adjust your opinion.

Eisenhower is the guy that systematically punished surrendered German soldiers by starvation and harsh environment. They had no roof nor water supply. Any outside that even dared to give them any food was shot killed instantly. It's very well documented. It's different from your "I believe," "I lived there," "I think," claims.

Google Lindemann's civilian bombing plan. One by one, the civilian districts were released for bombing, after the Jews who lived there were first moved to safety.

<http://www.realjewnews.com/?p=1001#comment-1695633>

Exactly. What really happened was that about 150,000 Jews refused to leave Germany. If the Jews was still in the towns that was carpet bombed, 150,000 Jews were going to die.

What the Zionist Jews did was that they gave the names and addresses to the Gestapo, who then rounded up the Jews and send them east to Poland, to safety. The Gestapo allocated locomotives to save the Jews.

There is more to it, the proclamation of the Jews as the collective "son of God," sacrificed instead of Jesus Christ. It is the reiteration of the act of apostasy of the "Christian" world.

"When the Most High gave the nations their inheritance, when He separated the sons of man, He set the boundaries of the peoples according to the number of the sons of Israel," which reflects the reading of the Masoretic Text and of several later revisions of the Septuagint: a manuscript of Aquila (Codex X), Symmachus (also Codex X), and Theodotion (Deuteronomy 32:8).

The reading of the Septuagint is "aggelon theou," or "huion theou". Therefore we have: "He set the boundaries of the peoples according to the number of the angels of God, or the sons of God".

The Qumran manuscripts (the oldest manuscripts of the Bible) have readings closer to the Septuagint.

The substitution of "sons of God" with "sons of Israel" (which makes Israel a collective "son of God") is one of the most glaring falsifications of the Scripture by the Jews (who usurped the name of Israel for themselves) and shows that their paranoiac pretension to be adored as gods is old.

Your post INSPIRED me to expand on it.

What's ironic about the Jews for Jesus crowd is that MOST of them AREN'T even Jews!

They're mostly deluded Gentiles thinking that "being Jewish" is BETTER than being a Gentile.

YET St Paul stated most emphatically that the Gentiles who keep the natural law are BETTER than Jews who have the written law, yet do NOT keep it.

All said, St Paul then concluded that being Jewish or being Gentile is old stuff:

My Reply To The Saker

Saker just posted that "Jews are not the enemy but evil ideologies are."

See what happens when "truthers" fear the JEW word? They replace the JEW word with amorphous abstractions...just like Gerry Celente and Paul Craig Roberts with their "presstitutes" and "1%ers."

Oh yea, Saker then says it's the "1%ers" who are the enemies with their "evil ideology."

Bottom Line: JEWS run Western politics, finance, media, academia, education, security, press, entertainment, and courts.

Say it Saker: JEWS. And if you're going to quote St Paul (Saker does to support his amorphous enemy) then try this one: "The Jews are contrary to all men, forbidding us to preach the Truth of the Gospel, and they please not God."

Sound familiar? JEWS (not "evil ideologies") are CONTRARY to all men, especially those who point out the REAL enemy: JEWS.

### AUSCHWITZ IN A NUTSHELL

1-No traces of cyanide in the alleged homicidal gas chambers, but the delousing gas chambers are stained blue with cyanide. CONCLUSION: Zyklon-B was used for DELOUSING CLOTHES, not for killing jews. This was demonstrated by gas chamber expert FRED LEUCHTER and German chemist GERMAR RUDOLF.

<http://germarrudolf.com/germars-views/202-some-technical-and-chemical-considerations-about-the-gas-chambers-of-auschwitz-and-birkenau/>

2-The CREMATORIES were TOO SMALL to cremate the alleged number of inmates. The average cremation time of a continuously operating oven was forty to sixty minutes per corpse, totalling a MAXIMUM CAPACITY of 162,000 corpses during the entire operation of the camp. This was calculated by Italian specialist Carlo Mattogno:

<http://www.vho.org/GB/Books/dth/fndcrema.html>

3-Air photos taken by the Allies during recon flights show that coal delivered to the camp was too little to cremate hundred of thousand corpses. Furthermore, only relatively minor mass graves can be seen. The photos, studied by Canadian geologist John Clive Ball, suggest that LESS THAN 50.000 DIED at Auschwitz-Birkenau.

<http://www.vho.org/GB/Books/dth/fndaerial.html>

4-French researcher ROBERT FAURISSON showed that the "gas chambers" are FAKES and not suitable (doors, layout, size) for its alleged homicidal purpose.

### THE OLD MYTH OF HITLER 'S JEWISH FINANCIERS

ONCE AGAIN IN THIS SITE some revisit the old canard that Hitler was an instrument of the Jews. How far from the truth!

Some American companies had ties to Germany under National Socialism. But many of these Americans were enemies of the Jews, such as Henry Ford! No surprises there...

Yes, Hjalmar Schacht was a freemason (initiated in "Urania zur Unsterblichkeit" lodge in Berlin). He was appointed by Hitler Minister of Economics (1934) and Chairman of the Reichsbank (1933). BUT...HE WAS DISMISSED BY HITLER HIMSELF IN 1939.

Schacht was repeatedly involved in PLOTS AGAINST HITLER, and finally ARRESTED in July 1944 and SENT TO DACHAU. He was acquitted by the Nuremberg tribunal and released in 1946 (by you know who).

HITLER PUT SCHACHT IN PRISON! THE ALLIES RELEASED HIM!

Anthony Sutton writes about Max Warburg as a director of IG Farben, but fails to mention that THE WARBURG BANK WAS "ARYANIZED" in 1938.

[http://www.ihr.org/jhr/v15/v15n5p33\\_Weir.html](http://www.ihr.org/jhr/v15/v15n5p33_Weir.html)

HITLER SACKED BANKSTER MAX WARBURG!

Now, maybe the same Max Warburg tried to hurt Hitler by publishing the book "De Geldbronnen van het Nationaal-Socialisme. Drie gesprekken met Hitler" (The sources of money of National-Socialism. Three conversations with Hitler) in the Netherlands in 1933. He signed as "Sidney Warburg", who never existed.

The meetings did take place and were arranged by Schacht, but Hitler was not aware that he was dealing with Jews. He rebuked them in the end.

HITLER REBUKED THE JEWS THAT TRIED TO BUY HIM!

THINK: DOES IT MAKE SENSE?

Does it make sense that Jewry's MOST FEARED AND HATED ENEMY of the XX century was in bed with them?

Does it make sense that ALL BANKSTERS were at the ALLIED side, if they secretly financed Hitler?

Why did Jewry DECLARED WAR AND BOYCOT GERMANY already in 1933? Out of love for Hitler, their alleged stooge?

Does it make sense that the Jews were DEMONSTRABLY IN BED WITH BOLSHEVIKS?

Does it make sense that they CONTROLLED the UK and the US?

**NO, IT DOESN'T MAKE SENSE!**

The only option left for the Jews was: DESTROY GERMANY AND HITLER MILITARILY!

And so they did!

You certainly told Saker how it is, Brother Nathanael.

It's also something when people say the problem is the banksters since most banksters happen to be Jews.

ALWAYS this 1% crap when the 1% are largely Jews who are in power.

Israel warplanes launch 3 attacks on Syria army positions

The Israeli regime has launched attacks on Syrian army positions in the Golan Heights.

According to reports, the Israeli warplanes carried out three overnight raids on the Syrian army positions hours after the regime forces fired artillery rounds into the Syrian side of the Golan Heights.

Tel Aviv claims the attacks were carried out in response to several rocket attacks that earlier targeted the Israeli-occupied part of the territory.

The incident came days after an Israeli helicopter fired rockets on a Hezbollah convoy in the Golan Heights town of Qunaitra on January 17, killing six members of the Lebanese resistance group and an Iranian commander.

Hezbollah and Iran have vowed that their response to the attack would be extremely painful.

The Golan Heights have been under the Israeli occupation since the 1960s. The Tel Aviv regime captured the Syrian territory during the Six-Day War of 1967 and annexed the region in 1981.

Israel has allegedly been using mini-nuclear bombs on Syria.

When are these JWO War Criminals going to be prosecuted in the International Criminal Court in The Hague?

After the Anschluß of Austria to Nazi Germany in March 1938, he [Louis Nathaniel de Rothschild] was arrested at the airport at Aspern[2] and taken into custody by the Nazis because he was a Jew.

While imprisoned he was visited by Heinrich Himmler. Rothschild apparently impressed the SS leader, who subsequently ordered that Rothschild's prison conditions be improved with better furniture and sanitation facilities.[3]

Despite appeals from Queen Mary of the United Kingdom and possibly the Duke of Windsor, Rothschild was held in Vienna's Hotel Metropole while the German government attempted to

expropriate his business concerns. [4]

He was imprisoned at least through July 1938, and his property placed under control of a German "commissioner".[5]

The only real way to deal with this state propaganda is to ridicule it.

As not only does it emasculate the propaganda, but it allows people to get a happy rush from the states' shame excersize which is the antidote to this obnoxious enslavement.

People will go blue in the face lecturing others about facts but if you give them an endomorphine rush of laughter you'll win them over instantly. Happiness versus shame; which would you chose?

Could it be that Hitler wasn't always aware of what his trusted officers were doing-per Schact above mentioned.

Soldiers havethe responsibility of obeying the orders of their commanding officers.

The Jews always go for the commanding positions in everything that they have been involved in, and they network among themselves to make sure that they get the necessary positions.

That is why they have been so successful. I personally think that that is how the Jews got

their fellow Jews out if harm's way under Hitler's nose. Think of how they got away with 9-11.

As I have said many times before, there are far more Jews in this world than what the rest of us think .

Bravo Ms. Halsell...another truth-teller stating how things really are here at home and Israel.

### What Christians Don't Know About Israel

By Grace Halsell

American Jews sympathetic to Israel dominate key positions in all areas of our government where decisions are made regarding the Middle East.

This being the case, is there any hope of ever changing U.S. policy? American Presidents as well as most members of Congress support Israel — and they know why. U.S. Jews sympathetic to Israel donate lavishly to their campaign coffers.

The answer to achieving an even-handed Middle East policy might lie elsewhere — among those who support Israel but don't really know why. This group is the vast majority of Americans. They are well-meaning, fair-minded Christians who feel bonded to Israel — and Zionism — often from atavistic feelings, in some cases dating from childhood.

I am one of those. I grew up listening to stories of a mystical, allegorical, spiritual Israel. This was before a modern political entity with the same name appeared on our maps.

I attended Sunday School and watched an instructor draw down window- type shades to show maps of the Holy Land. I imbibed stories of a Good and Chosen people who fought against their Bad "unChosen" enemies.

In my early 20s, I began traveling the world, earning my living as a writer. I came to the subject of the Middle East rather late in my career. I was sadly lacking in knowledge regarding the area. About all I knew was what I had learned in Sunday School.

And typical of many U.S. Christians, I somehow considered a modern state created in 1948 as a homeland for Jews persecuted under the Nazis as a replica of the spiritual, mystical Israel I heard about as a child.

When in 1979 I initially went to Jerusalem, I planned to write about the three great monotheistic religions and leave out politics. "Not write about politics?" scoffed one Palestinian, smoking a waterpipe in the Old Walled City. "We eat politics, morning, noon and night!"

As I would learn, the politics is about land, and the co-claimants to that land: the indigenous Palestinians who have lived there for 2,000 years and the Jews who started arriving in large numbers after the Second World War.

By living among Israeli Jews as well as Palestinian Christians and Muslims, I saw, heard, smelled, experienced the police state tactics Israelis use against Palestinians.

My research led to a book entitled Journey to Jerusalem. My journey not only was enlightening to me as regards Israel, but also I came to a deeper, and sadder, understanding of my own country.

I say sadder understanding because I began to see that, in Middle East politics, we the people are not making the decisions, but rather that supporters of Israel are doing so. And typical of most Americans, I tended to think the U.S. media was "free" to print news impartially.

'It shouldn't be published. It's anti-Israel.'

In the late 1970s, when I first went to Jerusalem, I was unaware that editors could and would classify "news" depending on who was doing what to whom. On my initial visit to Israel-Palestine, I had interviewed dozens of young Palestinian men. About one in four related stories of torture.

Israeli police had come in the night, dragged them from their beds and placed hoods over their heads. Then in jails the Israelis had kept them in isolation, besieged them with loud, incessant noises, hung them upside down and had sadistically mutilated their genitals. I had not read such stories in the U.S. media.

Wasn't it news? Obviously, I naively thought, U.S. editors simply didn't know it was happening.

On a trip to Washington, DC, I hand-delivered a letter to Frank Mankiewicz, then head of the public radio station WETA. I explained I had taped interviews with Palestinians who had been brutally tortured. And I'd make them available to him. I got no reply. I made several phone calls.

Eventually I was put through to a public relations person, a Ms. Cohen, who said my letter had been lost. I wrote again. In time I began to realize what I hadn't known: had it been Jews who were strung up and tortured, it would be news. But interviews with tortured Arabs were "lost" at WETA.

The process of getting my book Journey to Jerusalem published also was a learning experience. Bill Griffin, who signed a contract with me on behalf of MacMillan Publishing Company, was a former Roman Catholic priest. He assured me that no one other than

himself would edit the book.

As I researched the book, making several trips to Israel and Palestine, I met frequently with Griffin, showing him sample chapters. "Terrific," he said of my material.

The day the book was scheduled to be published, I went to visit MacMillan's. Checking in at a reception desk, I spotted Griffin across a room, cleaning out his desk. His secretary Margie came to greet me.

In tears, she whispered for me to meet her in the ladies room. When we were alone, she confided, "He's been fired." She indicated it was because he had signed a contract for a book that was sympathetic to Palestinians. Griffin, she said, had no time to see me.

Later, I met with another MacMillan official, William Curry. "I was told to take your manuscript to the Israeli Embassy, to let them read it for mistakes," he told me. "They were not pleased. They asked me, 'You are not going to publish this book, are you?'" I asked, "Were there mistakes?" "Not mistakes as such. But it shouldn't be published. It's anti-Israel."

Somehow, despite obstacles to prevent it, the presses had started rolling. After its publication in 1980, I was invited to speak in a number of churches. Christians generally reacted with disbelief. Back then, there was little or no coverage of Israeli land confiscation, demolition of Palestinian homes, wanton arrests and torture of Palestinian civilians.

The Same Question

Speaking of these injustices, I invariably heard the same question, "How come I didn't know this?" Or someone might ask, "But I haven't read about that in my newspaper." To these church audiences, I related my own learning experience, that of seeing hordes of U.S. correspondents covering a relatively tiny state.

I pointed out that I had not seen so many reporters in world capitals such as Beijing, Moscow, London, Tokyo, Paris. Why, I asked, did a small state with a 1980 population of only four million warrant more reporters than China, with a billion people?

I also linked this query with my findings that The New York Times, The Wall Street Journal, The Washington Post — and most of our nation's print media - are owned and/or controlled by Jews supportive of Israel. It was for this reason, I deduced, that they sent so many reporters to cover Israel — and to do so largely from the Israeli point of view.

My learning experiences also included coming to realize how easily I could lose a Jewish friend if I criticized the Jewish state. I could with impunity criticize France, England, Russia, even the United States. And any aspect of life in America. But not the Jewish state.

I lost more Jewish friends than one after the publication of Journey to Jerusalem — all sad losses for me and one, perhaps, saddest of all.

In the 1960s and 1970s, before going to the Middle East, I had written about the plight of blacks in a book entitled Soul Sister, and the plight of American Indians in a book entitled Bessie Yellowhair, and the problems endured by undocumented workers crossing from Mexico in The Illegals.

These books had come to the attention of the "mother" of The New York Times, Mrs. Arthur Hays Sulzberger.

Her father had started the newspaper, then her husband ran it, and in the years that I knew her, her son was the publisher. She invited me to her fashionable apartment on Fifth Avenue for lunches and dinner parties. And, on many occasions, I was a weekend guest at her Greenwich, Conn., home.

She was liberal-minded and praised my efforts to speak for the underdog, even going so far in one letter to say, "You are the most remarkable woman I ever knew." I had little concept that from being buoyed so high I could be dropped so suddenly when I discovered — from her point of view — the "wrong" underdog.

As it happened, I was a weekend guest in her spacious Connecticut home when she read bound galleys of Journey to Jerusalem. As I was leaving, she handed the galleys back with a saddened look: "My dear, have you forgotten the Holocaust?"

She felt that what happened in Nazi Germany to Jews several decades earlier should silence any criticism of the Jewish state. She could focus on a holocaust of Jews while negating a modern day holocaust of Palestinians.

I realized, quite painfully, that our friendship was ending. Iphigene Sulzberger had not only invited me to her home to meet her famous friends but, also at her suggestion, The Times had requested articles. I wrote op-ed articles on various subjects including American blacks, American Indians as well as undocumented workers.

Since Mrs. Sulzberger and other Jewish officials at the Times highly praised my efforts to help these groups of oppressed peoples, the dichotomy became apparent: most "liberal" U.S. Jews stand on the side of all poor and oppressed peoples save one — the Palestinians.

How handily these liberal Jewish opinion-molders tend to diminish the Palestinians, to make them invisible, or to categorize them all as "terrorists."

Interestingly, Iphigene Sulzberger had talked to me a great deal about her father, Adolph S. Ochs. She told me that he was not one of the early Zionists. He had not favored the creation of a Jewish state.

Yet, increasingly, American Jews have fallen victim to Zionism, a nationalistic movement that passes for many as a religion.

While the ethical instructions of all great religions — including the teachings of Moses,

Muhammad and Christ — stress that all human beings are equal, militant Zionists take the position that the killing of a non-Jew does not count.

Over five decades now, Zionists have killed Palestinians with impunity. And in the 1996 shelling of a U.N. base in Qana, Lebanon, the Israelis killed more than 100 civilians sheltered there.

As an Israeli journalist, Arie Shavit, explains of the massacre, “We believe with absolute certitude that right now, with the White House in our hands, the Senate in our hands and The New York Times in our hands, the lives of others do not count the same way as our own.”

Israelis today, explains the anti-Zionist Jew Israel Shahak, “are not basing their religion on the ethics of justice. They do not accept the Old Testament as it is written. Rather, religious Jews turn to the Talmud. For them, the Talmudic Jewish laws become “the Bible.” And the Talmud teaches that a Jew can kill a non-Jew with impunity.

In the teachings of Christ, there was a break from such Talmudic teachings. He sought to heal the wounded, to comfort the downtrodden.

The danger, of course, for U.S. Christians is that having made an icon of Israel, we fall into a trap of condoning whatever Israel does — even wanton murder — as orchestrated by God.

Yet, I am not alone in suggesting that the churches in the United States represent the last major organized support for Palestinian rights. This imperative is due in part to our historic links to the Land of Christ and in part to the moral issues involved with having our tax dollars fund Israeli-government-approved violations of human rights.

While Israel and its dedicated U.S. Jewish supporters know they have the president and most of Congress in their hands, they worry about grassroots America — the well-meaning Christians who care for justice.

Thus far, most Christians were unaware of what it was they didn’t know about Israel. They were indoctrinated by U.S. supporters of Israel in their own country and when they traveled to the Land of Christ most all did so under Israeli sponsorship. That being the case, it was unlikely a Christian ever met a Palestinian or learned what caused the Israeli-Palestinian conflict.

This is gradually changing, however. And this change disturbs the Israelis. As an example, delegates attending a Christian Sabeel conference in Bethlehem earlier this year said they were harassed by Israeli security at the Tel Aviv airport.

“They asked us,” said one delegate, “Why did you use a Palestinian travel agency? Why didn’t you use an Israeli agency?” The interrogation was so extensive and hostile that Sabeel leaders called a special session to brief the delegates on how to handle the harassment.

Obviously, said one delegate, “The Israelis have a policy to discourage us from visiting the Holy Land except under their sponsorship. They don’t want Christians to start learning all they have never known about Israel.”

Grace Halsell (1923-2000) was a distinguished American journalist, war correspondent, author and columnist. She was the author of 13 books, including Journey to Jerusalem and Prophecy and Politics.
